Subject: Bradford Island - EPA Site Visit

---

Hi Helen,

I understand that EPA would like to make a site visit to Bradford Island. Below are some proposed dates. I assume you'd drive down in the morning and meet at Bonneville around 11 or 12. It only takes about an hour to walk the site, because the site isn't very big. We can meet in the auditorium located at Bonneville project entrance to check in with security when you arrive and then drive to the eastern end of Bradford Island for the site tour. After the tour, we can meet back at the auditorium to close out the tour and go over our next steps in FFA negotiations. Please let me know what dates work for your group so I can send out an invite and get the date secured on everyone's calendars. Let me know what you want to see in particular, so we can prepare.

Thanks,  
Chris

Potential Site Visit Dates with a meeting time from about 11-12 to 3-4:

May 2  
May 3  
May 6  
May 9  
May 13
